

## Room by room checklist

Work your way through this checklist to make sure you prepare everything needed for your home photoshoot

### Outside

- Remove car from the driveway
- Hide bins
- Move/hide clutter – garden tools, children's toys, pet toys
- Sweep driveway and paths
- Polish brass furniture on external doors

### Entrance/Hallway/Staircase

- Clear away shoes, clothes and any other clutter

### Living areas

- All screens off, remotes hidden, and cables removed or disguised
- Personal items and magazines removed
- All toys and pet items removed
- Covers and cushions smoothed and arranged
- Fresh flowers if possible
- Curtains open, windows closed
- Door propped open

### Kitchen

- Sink empty
- All bottles, cleaning products, utensils and appliances hidden
- Remove bins
- Remove anything pet-related
- Wipe clean all shiny surfaces
- Close all cupboard doors
- Make sure the washing machine is empty!
- Add a bowl of fresh fruit for decoration
- Curtains open, windows closed
- Door propped open

## Bathrooms

- Clean every shiny surface – including glass and mirrors
- Open shower doors and curtains
- Toilet seat down, toilet paper removed
- Remove all personal items
- Remove all bottles, soaps, cleaning products and toilet brush
- Fold clean towels neatly (or remove)
- Curtains open, windows closed
- Door propped open

## Bedrooms

- Remove all personal items – books, pictures, jewellery, etc
- Remove posters, etc. from children's' bedrooms
- Remove everything hanging on or behind the door
- Hide all clothing
- Smooth bed covers and straighten pillows/cushions
- Make children's beds with plain covers (not cartoon characters)
- Remove items from under the bed
- Add fresh flowers if you wish
- Curtains open, windows closed
- Door propped open
